Dear Chairman Lee,

Enclosed is a photograph of my last sitting with artist Mr. Schickler in his New York studios overlooking Central Park. As the painting nears completion I have been thinking about the significance of your gift and how wonderful and deep the relationship between our two families has been.

The painting will hang in my living room not as a reminder to people of me but as a reminder to me of our special relationship for the rest of my life.

Looking forward to a time when we can all be together again.

Best regards,

John J. Donovan
