PALM BEACH MEDICAL COLLEGE

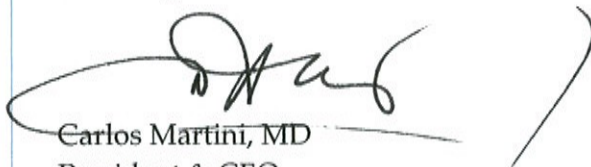

May 17, 2010

Dear Professor Donovan:

It is our pleasure to extend to you the appointment of Chief Science Advisor at Palm Beach Medical College. Your background and recognition as a leading educator, businessman and entrepreneur creates a significant opportunity for leadership and innovation in healthcare. Our Medical College will establish a number of firsts in medicine, research and education. Your contributions in defining and deploying new methods to leverage technology will open fresh minds to unprecedented possibilities in evidence based medicine and decision support.

We welcome you to Palm Beach Medical College and look forward to your guidance in developing a cutting edge, state of the art, medical education program. We feel very fortunate and count on you on our search for academic excellence.

Sincerely,

Carlos Martini, MD
President & CEO
